

**We have one question for you:**

***“Were you ever in the military?”***

If the answer is **“Yes,”** call us! Many people don't know that they are eligible for VA care.

The VA Palo Alto Spinal Cord Injury Center offers:

- Acute rehabilitation, post-acute rehabilitation, and ongoing medical care, durable medical equipment, medications and supplies.

We treat traumatic, surgical and medical spinal cord injuries as well as spinal cord disorders such as Multiple Sclerosis, Post-Polio Syndrome, and ALS.

We provide care from initial injury throughout the lifespan for persons with Spinal Cord Injury and Disorders, with primary and specialty medical care, interdisciplinary care teams and access to Veterans' benefits.

**No insurance required.**

No charge to eligible patients, including visits, DME, medication and supplies.

Care is available nationally; our Center provides care for persons from Nevada, Northern California, Hawaii and the Pacific Islands. If you live outside this area, we can direct you to another Center.
